

Mid-Atlantic Polymer & Nanoparticle Users' Meeting

April 26, 2018 • Renaissance Philadelphia Downtown Hotel •
Philadelphia, PA

Agenda

8:30 AM	Breakfast & Registration
---------	--------------------------

9:00 AM	Welcome & Meeting Overview, Introductions
9:30 AM	Wyatt Presentation <i>What's New at Wyatt</i>
9:45 AM	Wyatt Presentation <i>Light Scattering Toolbox Theory</i>

10:30 AM	Coffee Break and Poster Viewing
----------	---------------------------------

11:00 AM	Wyatt Presentation <i>ViscoStar III: The Next Generation Online Differential Viscometer In-Depth</i>
11:30 AM	Guest Speaker: Dr. Yejia Li, Ashland Specialty Ingredients <i>Absolute Molecular Weight Analysis of Commercial Polymers by Relative SEC Using a Different Type of Polymer as Standard</i>

12:00 PM	Luncheon Buffet and Poster Viewing
----------	------------------------------------

1:15 PM	Guest Speaker: Dr. Christopher Rasmussen, DuPont de Nemours & Co. <i>High Throughput SEC: Polymer Insight and Method Validation Using MALS</i>
1:45 PM	Wyatt Presentation <i>Introducing Electrical AF4: Separation by Size and Charge</i>

2:15 PM	Coffee Break and Poster Viewing
---------	---------------------------------

2:45 PM	Workstation Rotations: Inside the new μ DAWN; New cell for nanoparticle characterization; Branching; Application Q&A
3:45 PM	User Feedback & Evaluation Forms
4:00 PM	One-on-one Meetings with Wyatt Staff
4:30 PM	Wrap-up and Close
