

The Light Scattering Toolbox – Multi-Angle and Dynamic Light Scattering

Wednesday, May 13, 2020 • 8:00 AM - 12:30 PM PDT
Virtual Light Scattering Workshops & User Meetings

Agenda

8:00 AM	Welcome, Introductions & Meeting Overview
8:15 AM	The Light Scattering Toolbox Part I <i>Multi Angle Light Scattering (MALS)</i>
9:00 AM	The Light Scattering Toolbox Part II <i>Dynamic Light Scattering (DLS)</i>
9:30 AM	Coffee Break: <i>Pause Broadcast</i>
9:45 AM	Coffee Break <i>with Q&A</i>
10:00 AM	Tips and Tricks: <i>Setting up a SEC-MALS-DLS experiment</i>
10:30 AM	Secrets to Success: <i>Chromatography and Data Processing</i>
11:00 AM	Coffee Break <i>with Q&A</i>
11:15 AM	Tips & Tricks: <i>Setting up DLS Measurements with DynaPro Plate Reader and NanoStar</i>
11:45 AM	Secrets to Success: <i>Interpreting and Optimizing DLS measurements</i>
12:15 PM	Coffee Break <i>with Q&A</i>
12:30 PM	Conclusions and Wrap-up
